PACIFICWRO NAMES SONDRA JAKUBOWSKI AS THE NEW ARCHITECTURE AND DESIGN MARKET MANAGER

Portland, Oregon – Sondra Jakubowski has been named A&D Market Manager at PacificWRO after she successfully served as Account Executive for the past 10 years.

In her new role, Jakubowski will partner with architecture and design firms to provide targeted insights, early cost evaluations, and specific furniture options to meet their design intent and their clients' budgets and timelines.

"Adding this role to our team means we are better equipped to serve our clients in the architecture and design community," said Anthony Pepe, Director of Sales at PacificWRO. "Sondra's vast work experience in both the design industry and the furnishings industry gives her the unique advantage to understand and help our A&D clients carry out their vision for each of their projects."

Sondra has nearly 20 years of experience in the A&D and furnishing industry, where she has gained a strong understanding of work trends and furnishing applications. Her passion for presenting and promoting great design makes her a valuable resource to all A&D partners.

"We are thrilled to serve and support our local architects, interior designers, and A&D partners through Sondra's new role," said Terry Wren, owner and President of PacificWRO. "Sondra provides a wellspring of inspiration, thought starters, industry knowledge, and design trends for all ages and levels of Interior Designers and Architects."
